The ever popular Kea Breeze M660 (6.6meter) is the compact but cleverly laid out NZ Built motorhome on a Mercedes Chassis that runs on a WOF

The drop-down bed above the U-Shaped lounge makes this little beauty a breeze to stay in and even more of a breeze to drive and keep up with traffic,

as well as a breeze to park compared to longer motorhomes

This one will be gone with the wind, with the next travelling nomads who want to enjoy life exploring NZ's scenic beauty

With all the off-grid necessities covered, this little motorhome is a joy to go away in

Pressurized hot and cold water from the 100L fresh (100L Grey) water tanks

1x350w solar panels complement the 1x 170 amp AGM battery

1x9kg gas bottle and 2kw diesel heater

60kg rated bike rack already attached to make going off roaming even easier
