A popular model replaced with the Kea Platinum in 2017, this is possibly the Horizon we will ever receive from our suppliers, due to refurbished stock turnover, most of them are already sold.

These great NZ Made Kea Horizon motorhomes have 3 double beds, hot/cold pressurized water from the large 150L fresh (150L grey) water tanks, 17litre toilet cassettes, diesel heating and a solar panel to make freedom camping off grid easier.

With an internal height of 2.1m this camper is big while still being maneuverable.

The final year of the ever popular Kea Horizon, this model is great for families, friends and couples or people wanting self-contained tiny home style living space.

All of our refurbished Kea Motorhomes come with a 12 month Star Insurance /RVSS Guarantee.

Being a refurbished ex rental, these robust Mercedes RWD, chain driven motorhomes do 30-40,000kms a year on average in fleet so are extremely well serviced. Odometer kms approx 253,200 which is moderate for a well serviced Mercedes commercial grade Diesel

Come on by for a look or even a test drive and yes we do consider trades under 10 years old and sales on behalf, finance options available.
